

Fine Art Studio: Portraiture

6-week practical Saturday course

Dates: Saturdays | 10.30am-1.30pm

Fee: £675 (Register by September 17, 2019 for 10% off)

By immersing ourselves in the creative process, we can find a visceral connection that goes beyond an academic appraisal. It is a way into the mind of the artist at the moment of creation. In this six-week course, we investigate the art of portraiture. With practical sessions, exhibition and studio visits, you will combine research and practice to think more deeply about the value of a work of art.
